After view

After a quite cold and very rainy summer here in southern Sweden we have now experienced about a week of "Indian summer". If it was by coincidence or not we do not know but it coincided perfectly with our auction week. Maybe this contributed to the high spirit atmosphere during the auction.

In spite of the current international financial turbulence, the auction temperature was nearly as high as last time. It is not every time we can boast about an item that brings more than €100.000. We are of course referring to the fantastic Papal States cover. You will find a lot of other amazing results in this list of prices realized.

As part of our preparations for the upcoming auctions we will be doing two shows/fairs this autumn. The first weekend in November we will participate in the new fair in Copenhagen and a month later at MonacoPhil 2011 in Monte Carlo. You are all most welcome to visit our stand at these events.

Next spring we will celebrate our 200th Anniversary Auction, to which your consignment of Early Issues of the highest quality is especially welcome. This auction will be arranged in connection with the "Malmö 2nd International Philatelic Summit", further information will follow shortly.

We thank you all for this time and hope that there will be a reason to get in touch very soon again!
