

SEMINAR NEWSLETTER #1

Dear philatelic friends and seminar delegates

The application time for **Malmö 3rd International Philatelic Summit** being conducted 25-27 April ran out 31 December. I am proud to welcome you as a delegate together with 100 others! Again the Summit proves that the concept we have achieved together with the most qualified panel and lecturers around the philatelic world is a success.

We are **101 delegates** in total including the Postiljonen and SPINK stakeholder representatives. Will will be the maximum what our venue can perform so we are fully booked. This time we represent **21 different nationalities**, from Asia, Australia, Africa, Europe, North America, Central America and South America.

- **Please find attached the delegate list for your information.**

From now until the seminar week-end you will receive NEWSLETTERS updating you about the proceedings for the Summit, of which this is the first welcoming NEWSLETTER.

As for the second Summit in 2012 we will release not less than six Summit Papers in the **Summit Paper Series** started in 2012. I will get back to you with more information about the planned releases but for those of you not yet familiar with the Papers I strongly recommend you to order the Papers released in conjunction with the 2012 Summit.
