## After view

Despite the ice-cold hurricane-like wind during our auction weekend that has just passed, we are now pleased to summarize some very memorable days. What made us warm and happy were all the faithful friends, consignors, buyers and business colleagues that turned up from all over Europe.

Although we didn't specifically count the number of clients present from each of the different foreign countries, the Icelanders must have come as number one or two! As usual we were able to offer a section of Icelandic stamps that we believe few other auction houses will be able to pride themselves of in the near future, which of course is the main reason for so many visitors from this small country. But we also think that our popular Icelandic philatelic co-worker may be a contributing factor!?

A tough competitor was the delegation from Suomi (Finland in Finnish) that totally took over the auction room during the Finnish section, and especially when the fourth part of The Gummeson Collection came up for sale late on Saturday afternoon. Just like previous sales of this incredible collection it ended with a highly satisfying result after competition from some Swedish bidders and many international telephone participants. Despite the serious bidding, the mood was relaxed with a lot of jokes and laughter in between.

Other sections and countries which attracted attention this time were e.g. Brazil and Poland, but not least India with many telephone bidders and the highest number of pre-bids per item at this auction. If you want to be fully updated about today's market prices for the different areas, we recommend that you study the enclosed List of prices realized.

Our Anniversary Year will continue with a lot of interesting events throughout the year, please check our calendar in the auction catalogue or visit our website [www.postiljonen.com](http://www.postiljonen.com). As the Main Commercial Partner, together with our co-partners **Spink** and **Philasearch**, we welcome you to the bina-tional exhibition **MALMEX 2018** in the very end of August. Thank you very much to all of you who made this 50th Anniversary Auction such a great occasion!
