We still miss our "personal auction room", but the live bidding is here to stay! Without that we don't think we would get as many Chinese bidders, or collectors of China, around the globe as we got. Of course, we are talking about the opening section of our auction weekend with "The People's Republic of China". All 71 items were sold far above the total starting prices, with the gem "The Whole Country is Red" as the absolute highlight.

The sections and areas that followed showed that the demand for high quality philatelic items is still high. We are very happy that our Finnish clients are still very active at our auctions and that they contributed to the great results of the Finland section. Another area that stood out was Norway, nearly as in "the good old 1980s".

As you have probably seen we have made a lot of marketing for "90 Years of Collecting" consigned by the well-known collector Warren Grosjean. Very shortly before the auction we were informed by his son, Paul, that Warren sadly had passed away. We express our deepest condolences to his family.

Our next sale will be in the middle of March and we are very happy being able to offer "Denmark Gold 1851-1863". The most important sale of the first issues of Denmark since the disposal of the Lorentzen collection. More information will follow very soon and at ELBO '21.

Now when the restrictions have been lifted we very much look forward to meeting you at the coming exhibitions ELBO'21, 16-17 October, in Fredericia in Denmark and ESLOVIA 2021, 5-7 November, in Eslöv in Sweden. Both are national exhibitions. Followed by London 2022, 19-26 February 2022.

Please still keep the distance, and try to get your vaccine, so we can meet in person again!
