

SEMINAR NEWSLETTER #5

Dear all / Final call from Malmö before summit,

Next week we meet in Malmö, we are very much looking forward to the summit and hereby welcome you!

The registration time for additional applications is closed and we summarize 93 delegates with 23 nationalities – wow! I attach the list with deletages for your pre-study. We are very proud and happy with such an amount of delegates, from such a wide range of countries.

The program for the summit is set, and beside all the well prepared presentations which will be conducted by the invited speakers, we have a very promising social program. As you all know, Postiljonen will host the **Seminar Reception** on Friday evening and the **Postiljonen Jubilee Dinner** on Saturday evening.

All delegates are invited and we expect that all delegates will participate in these two events presented through this published invitation.
